

QUALITIES OF AN A2H LEADER

There are many things that you wish to achieve in your lifetime. *Ideas, and dreams when written down with dates become goals; when you place actionable tasks with your written goals, you have a plan (vision-work).* Write down the things you dream about so that they become achievements!

In the purple circle write the dream/idea. On the pink line below it, write down the qualities that you think you'll need to embody in order to move from idea to achievement. This will serve as a reminder for *HOW to live out your VISION.*

The form consists of a central logo with the text "ah" in a stylized font, with "elements of" above "success" which is in a black box. The logo is enclosed in a purple oval with a scalloped border. Surrounding the logo are six purple speech bubble shapes, each with a pink horizontal line below it for writing. The page is decorated with various pink symbols: asterisks, wavy lines, and dots.
